The sport of volleyball has a variety of ways in which they participate in contests. The criteria for determining a “win” or “loss” in pool play for the purpose of these records is as follows:

If pool play is involved, there must have been a minimum of, at least, a best-of-three situation. A single game win should not be counted as a win or a loss. A 2-0 win is a win, a 0-2 loss is a loss, and a 1-1 tie is neither a win nor a loss as it does not indicate that a potential best-of-three situation was possible.

Top 25 lists have been compiled for football, volleyball, boys’ basketball, girls’ basketball, baseball, softball, boys’ soccer and girls’ soccer. They can be viewed by going to “[gowarrenton.com](http://gowarrenton.com)”, clicking on “**High School**” and then “**L & C League**” at the left.
